

Make it special!!

Our Wedding Dance Packages are designed to teach you the skills of dance quickly and easily.

From your first lesson you will feel comfortable and at ease in learning the steps that are fun and exciting to do. Make your wedding day extra special with a romantic or fun dance! You may already have a special song you want to dance to, or choose one that expresses your love for each other. We can tailor a dance just for you! Don't wait to get started! Take the first step and give us a call today, to schedule your first lesson
